District Governor's Weekly Message

Date: 8th July, 2010.

My fellow Rotarians and friends,

Rotary membership is very special and unique. Every year is different. Rotary year 2010-2011 will not be the same as 2009-2010 and next year will be different again. Each year brings a new theme, new directions, new ideas, new challenges, new members and new opportunities for service.

RI President Ray Klinginsmith gave his class of 2010-2011 a clear message sometime ago that we need to bring about many changes in Rotary, starting with Districts & Clubs, about how we do things & how we have always done things. I hope you agree with this change philosophy and it should send a clear message to all Rotarians that we want more of them to experience a role on District.

I wish all Clubs and Rotarians in the District a very happy and successful year of Rotary service both locally and internationally. I hope our Clubs in District 9800 continue to grow in membership and remain healthy and active members of Rotary International. As Rotarians and members of these Clubs, let us all give what we can, help where we can, and above all enjoy the wonderful fellowship that exists worldwide in Rotary. The Family of Rotary involves us all, and it is a very special Family indeed.

The Rotary Foundation (TRF) is our Foundation. It is through the Foundation that we bring hope and dignity to the lives of many less fortunate than ourselves. The wonderful work of the Foundation requires the support of all Rotarians particularly in this next year. I encourage all Clubs to focus on giving to the Foundation so that it will continue to grow and be able to carry on effectively "doing good in the world". Marilyn and I look forward to visiting your Club during the year and to share in your Club's aims, objectives and dreams. On the Official visit of the District Governor, I will share with you my aims, objectives and dreams.

Finally, "thank you" for all that you are doing for Rotary.

Together in 2010-2011 we will be "Building Communities Bridging Continents".

Have a great year,

Iven Mackay and Marilyn

Presidents Report

President's Message

1st July 2010

The four Avenues of Service based on the Object of Rotary are Rotary's philosophical cornerstone and the foundation on which club activity is based.

Club Service focuses on strengthening fellowship ensuring the effective functioning of the club.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards

Community Service covers the projects and activities the club undertakes to improve life in its community

International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.

The 4 Way Test followed by Rotarians world wide in their business and professional life was created by Rotarian Herbert J Taylor in 1932, it has since been translated into more than 100 languages.

Membership in Rotary is the 'Power of One' multiplied many times over by the programs of Rotary International - Harriet Schloer

Quotations

Be nice to your kids.

Joke Of The Week

Ralph and Edna were both patients in a mental hospital. One day while they were walking past the hospital swimming pool, Ralph suddenly jumped into the deep end.

He sank to the bottom of the pool and stayed there.

Edna promptly jumped in to save him. She swam to the bottom and pulled him out. When the Head Nurse Director became aware of Edna's heroic act she immediately ordered her to be discharged from the hospital, as she now considered her to be mentally stable.

When she went to tell Edna the news she said, 'Edna, I have good news and bad news. The good news is you're being discharged, since you were able to rationally respond to a crisis by jumping in and saving the life of the person you love... I have concluded that your act displays sound mindedness.

The bad news is, Ralph hung himself in the bathroom with his bathrobe belt right after you saved him. I am so sorry, but he's dead.'

Edna replied, 'He didn't hang himself, I put him there to dry...
How soon can I go home?'

Paddy was
driving home, p*ssed as a newt, suddenly he has to swerve to avoid a tree, then
another, then another.

A cop car pulls him
over as he veers about all over the road.

Paddy tells the cop
about all the trees in the road.

Cop says "For
pete's sake Paddy, that's your air freshener!"

An old Irish farmer's dog goes
missing and he's inconsolable. His wife says "Why don't you
put an advert in the paper?"

He does, but two weeks later the dog is
still missing.

"What did you put in the paper?"
his wife asks.

"Here boy" he replies.
