Presidents Report

President's Message

24th March 2011

March is Literacy Month

When Paul Harris started Rotary, his desire was for fellowship, which he satisfied by asking acquaintances to join him for lunch. It was out of this simple element of the 1905 society the giant which is called Rotary. It is a giant because its basic elements of fellowship and service contain one common element—the personal pleasure that we experience in being Rotarians.

It is further very interesting to recognise that this enormous commitment is simply specified in the 110 words of Rotary's Objectives, which provide the base of the entire activity that you and I are part of.

So for the remainder of this Rotary year let us hope that the Objects of Rotary filter through the hearts and minds of club members and that we gain a special satisfaction in the fellowship of Rotary.

Last Thursday our club welcomed our member Rotarian Ross Butterworth and his out going GSE Team, consisting of Paul Bertoncello, Tinika Van Dorb, Liam Fleming, Christine Waugh to our meeting. They each introduced themselves and gave us an account of what they hope to achieve while visiting Texas and what they hope to bring back to use in their chosen career. They will represent District 9800 and our country as true professionals.

Last Saturday morning at 6:45am nine members and partners of our club, Michael, Ian, Christine, Ross, Lorraine, Kevin & Joan, Pauline and myself rose early to cook breakfast for Real Estate Agents, Oliver Hume & Purchasers at the release of the Waterford Estate in Exford Road Melton South. I thank all who made the effort and the beauty of it we were all home by 10:00am and the club raised \$500.

President Graham Dempsey

President's thought for the week:

Loneliness is to endure the presence of one who does not understand.

Ian's so happy in the early mornings

It's been awhile since Ross has attended a BBQ he seems to have forgotten how to put on the gloves!

Our Club meets at Melton Valley Golf Club
6:30 for 7:00pm...

Joke Of The Week

The preacher's 5 year-old daughter noticed that her father always paused and bowed his head for a moment before starting his sermon. One day, she asked him why.

"Well, Honey," he began, proud that his daughter was so observant of his messages. "I'm asking the Lord to help me preach a good sermon."

"How come He doesn't answer it?" she asked.

SAY A PRAYER

Little Johnny and his family were having Sunday dinner at his Grandmother's house.

Everyone was seated around the table as the food was being served.

When Little Johnny received his plate, he started eating right away.

"Johnny! Please wait until we say our prayer." said his mother.

"I don't need to," the boy replied.

"Of course, you do." his mother insisted. "We always say a prayer before eating at our house."

"That's at our house." Johnny explained. "But this is Grandma's house and she knows how to cook!"

A Sunday school teacher said to her children, "We have been learning how powerful kings and queens were in Bible times. But, there is a Higher Power. Can anybody tell me what it is?"

One child blurted out, "Aces!"
