Bushfire Recovery

Rotarians working together – Showing we care

Dear President,

4th March 2009

Re. Bushfire Recovery – Showing WE Care!

As you are aware over 200 people have lost their lives, many injured and over 2,000 families have lost their homes in Australia's worst-ever natural disaster on the 7th February 2009. The Victorian Rotary Districts have commenced the Bushfire Recovery Fund for ongoing support for those communities affected.

In support of all Victorian Rotary Districts and their Fundraising efforts and in support of the Victorian Bushfire Victims the Rotary Club of Melton Valley has released a Yellow "We Care" Lapel Ribbon & Tree Sash for sale. Ribbons and sashes have been displayed to show Australians Care for the victims and to lend support for the families affected by this tragic event. Thousands of Lapel Ribbons are being worn and many Streets are adorned with Tree Sashes.

We are asking all Rotarians to show their support as well, by purchasing and displaying a Lapel Ribbon and/or Sash. We have enclosed a sample pack of 10 Ribbons and 2 Sashes valued at \$35.00 along with an order form and pre-paid envelope for return of cheque, order form or samples. For any queries on the project or product please call the writer on 0411 228311.

The Lapel Ribbon is \$2.50 and the Sash is \$5.00. All profits from the sales will go to the combined Victorian Districts' Bushfire Recovery Fund and all donations above \$2.00 are Tax Deductible. Please show you care through your individual or Club support.

Yours in Rotary Service

Ross Butterworth
